# *WHAT DOES A UNIFORM POLICY SAY ABOUT PROVIDENCE CLASSICAL CHRISTIAN SCHOOL?*

Our development of a uniform policy is driven by a desire to create and promote an environment of learning where dress is not a distraction to the educational process.

Below are some principles that guide our Uniform Policy:

- Our goal is to honor God in all we do, acknowledging the Lordship of Jesus Christ in our choices.
- All human actions, including outward manifestations such as clothing, reveal and communicate the disposition of the heart.
- Clothing represents the vocational calling of students, and inherent in the uniform standards is a desire to create an environment where undue attention is not drawn to specific students.
- Expectations differ for boys and girls, and modesty is expected in all manners of dress.
- Parents are expected to actively support school uniform expectations.

*Uniforms should be clean and in good repair, and students are expected to be in uniform while on campus unless specified otherwise. The administration is responsible for the determination of the policy, and enforcement of the policy is the responsibility of parents, administration, faculty and staff.*
