

Hello Jones Family!

I'm trying to finalize our House auction project, and I need your help.

I can see that you've contributed to our auction project by procuring 300 bags of marshmallows. Can you give me an update about these items? The deadline to turn in these items has already passed (February 14th). I need to start packaging our auction project for the next steps in the process, but I can't do that without your items.

Please contact me with an update as soon as you can, and thanks so much for helping me out.
Sarah
