

ON YOUR MARK...

Save the Date - Thursday, May 22nd, 2026 (Early release day). Classes will take turns jogging on the fields adjacent to our main school building.

GET SET...

Please take time to read this document to find out what your child is supposed to do to participate in this year's Jog-A-Thon.

The goal is still \$250 in pledges per student, and every family/student will be able to create their own easy to use Peer-to-Peer fundraising page. For offline pledges please contact Reyna Morris at fundraising@pccs.org

There are 2 very important action items that you will need to do virtually.

1. The first is to follow the link in the Highlander Herad to the Google Doc to enter your student(s) t-shirt size(s). Be sure to fill out your student's size for their FREE Jog-A-Thon shirt ASAP.
2. The second is to create a PledgeIt participation site for each of your grammar students. **Parents are now able to register multiple students under the same email (yay!).** Please follow this link to start, instructions are at the bottom of the page.
<https://charity.pledgeit.org/Providence2026>

Keep you eye out for volunteer opportunities in the Highlander Herald!

GO!!!!!!

Get a game plan together! Please work with your student on strategies to achieve their pledge goals.

Start your fundraising site! Your site will let your donors know they may choose to support your student with a one-time flat donation or a per-lap pledge; and it is set up to collect the flat donations up front. After the event we will give you the lap count info you need to message your per-lap supporters so you can collect those pledges right away via your fundraising page.

Many prizes to come! As we have in the past, for those students that collect at least \$100, \$250, \$500, \$750, and \$1,000 in pledges, as well as each class that makes their \$250/student goal and an all-grammar prize too.

Our overall goal for this year's Jog-A-Thon is \$60,000. Our hope is that everyone will participate no matter how much they raise.

If you have any questions, please email Reyna Morris at fundraising@pccs.org
