A note from our Headmaster

Welcome to our annual benefit dinner and auction! We are blessed by your participation this year as we share the joy, imagination, and whimsey of *Mary Poppins*. Who can forget the performances of Julie Andrews and the uber-talented Dick Van Dyke in the classic 1964 film? As some of you may know, the consummation of a film was for some time in question.

The fascinating details behind the *Mary Poppins* movie are depicted in Disney's dramatization, *Saving Mr. Banks*. The author of the *Mary Poppins* novels, P.L. Travers, was disinclined to allow her story to be performed on the big screen but finally acquiesced for financial reasons. The mercurial Travers issued multiple demands, battling the equally headstrong Walt Disney. Ultimately the movie was produced, with both Disney and Travers reaping benefits from its success.

This year *Mary Poppins* plays a dual role at Providence: not only does the story serve as our auction theme, but we are also eagerly awaiting the musical our high school students will perform this spring. It promises to be an outstanding show including singing, dancing, and theatrics the whole family will love! We are coming off two impressive student performances already this year: a fall high school performance of *Twelve Angry Jurors*, and our winter middle school rendition of *The Lion, The Witch, and The Wardrobe*. Drama is just one of several co-curricular activities that helps students grow in wisdom, leadership, and Christian virtue in a full-orbed classical, Christian education. As a small bonus, auction attendees will get a small foretaste of the spring performance this evening!

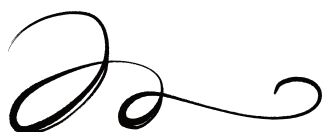

Proceeds from the annual benefit auction are directed specifically toward need-based financial aid. Your generosity makes it possible for even more families and students to take part in a Providence education that furthers a student's appreciation for the true, good, and beautiful as students are cultivating virtue in the rich heritage of the classical liberal arts.

This year we again welcome back the talents of John Curley as our auctioneer, with special thanks to Erik Day, parent and board member, for serving as our master of ceremonies. We are indebted to Reyna Morris, our Fundraising Director, for leading our team again this year; this event would be impossible without her steadfast planning, leadership, and direction. Special thanks also to Shannon Wilson, Stacey Sykes, Casey Kaufman, Kathy Day, Leslie Poole, and Dominica Falcon for their leadership in this year's event.

Gratefully,

Ryan Evans, Headmaster

Golden Ticket | sponsored by *Greenridge Landscape*

Every year, the Auction Committee holds a raffle for the Grand Prize of either one Live Auction item of the winner's choice (*excluding #20 and #28*) or \$1000 of Tuition Credit! Only 50 tickets will be sold beginning at 5pm when registration opens, and the winner will be drawn at the start of the live auction. You must be present to win! The cost for a Greenridge "Golden Ticket" is \$100.

Golden Gift Card Envelopes

Senior students will be selling gold, treasure-laden envelopes throughout the evening for \$25 apiece. Each envelope contains a gift card valued between \$10-\$50. You may take your envelope with you as soon as you choose it.

Special Games (continued)

Wine Pull | sponsored by *Dunn Lumber*

Spend \$20 to play this traditional carnival style game. Select a numbered bag and “pull” the wine from it; whichever bottle you pull, you keep. Values range from \$10-\$75 and everyone wins! *Note: bottles must be enjoyed at home and cannot be uncorked at the event per the venue’s licensing laws.*

Heads or Tails Cash Jackpot | sponsored by *Jesse Aspuria*

Enter to play Heads or Tails and win a special Cash Jackpot Bid Card! Before the live auction begins, the winner's card will be preloaded with the cash amount equal to 50% of the total collected from those who participate (up to \$1,000).

During the silent auction, senior students will be walking around and selling beaded necklaces, equal to one round of play, for \$10 each. The game will be played just before the live auction. For each round, players will stand and place their hands on their head or their “tail” before a coin is flipped on stage. Winners stay standing, losers sit down. If you lose a round but have another necklace, you may play again. The last one standing wins! *Please note, no cash will be paid out; this is for auction scrip to be spent during the event on live auction items only.*

Fund-A-Student | sponsored by *XIA The Realtor*

This special portion of tonight's event will happen at some point during the live auction (to be announced by auctioneer John Curley). Attendees will hear more about why students love Providence, and have an opportunity to bid directly toward our financial aid fund, assisting families who otherwise may not be able to afford tuition. Fund-A-Student bid increments will be \$5,000, \$2,500, \$1,000, \$500, \$250, \$100, and \$50. Thank you in advance for your generous donations!

Additional Information

Silent Auction Mobile Bidding

All silent auction descriptions and images can be found using the Greater Giving mobile bidding platform. Bidding on these items opens on Wednesday, March 11th, and closes at the auction event on March 15th at approximately 7:20 pm.

Check-In

As you arrive, pick up your bid card as well as a list of additional items (if any) that have been added to the Live Auction. You will receive your table number as well. At this time, you can opt to register a credit card with “qcheck” for a faster check-out at the end of the night.

Day of the Auction

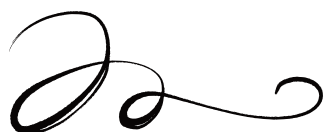

Silent Auction bidding has already opened online. There will be bid assistants on the concourse near the silent auction tables, as well as “leader boards” in the dining room scrolling through the silent auction items. You may place your bid on your own mobile device or with any bid assistant. If you are outbid and would like to raise your bid, either rebid on your device or with an assistant. Bidding will continue until the items close at 7:20pm (after seating for dinner). When the auction closes, the highest bid is a legal contract to purchase the item. There are silent auction items for every budget!

Live Auction

The Live Auction bidding will begin at approximately 7:30pm. When bidding, please hold your number toward the auctioneer. The winning bid is a legal contract to purchase the item.

Items

Bid amounts will not be split by cashiering among multiple bidders, unless specifically stated otherwise. The Auction Committee reserves the right to add or withdraw, without notice, items to or from the auction. Travel packages, unless otherwise noted, do not include airfare. There will be no refunds made on any item in the case that a mutually agreeable time is not met.

Warranties

Providence has attempted to catalog and describe the property correctly, but all property is sold “as is.” Providence neither warrants nor represents and shall in no event be responsible for the correctness of descriptions, genuineness, authorship, provenance, or condition of the property. No statement contained in the catalog or made orally at the sale or elsewhere shall be deemed to be such a warranty, representation, or assumption of liability for tax purposes or for general value.

Time Limit

Unless otherwise stated, all items need to be redeemed within one year following the auction at a time mutually agreeable to the buyer and donor.

Payments

All sales are final and there will be no exchanges or refunds unless specified. All items and experiences must be paid for in full at the end of the evening. We can accept checks, Mastercard, Visa, or cash. Providence is a charitable organization and your payments may be tax deductible as a charitable contribution only to the extent provided by law. Remember to have your company match the portion you pay over the value of the item.

End of the Evening Check-Out | sponsored by *Specialty Eye*

Please find a Providence cashier in order to close out your bids and process your charges. You will be asked to verify your purchases, and a receipt will be given to you. Then, a bid assistant will pull your items and bag them. Please review the items in your bag and make sure everything is correct before you leave the building.

Illuminated Manuscript

by Mrs. Burke's 4th Grade Class

Be transported back to a time of knights and ladies, when reading the bible in your native tongue would be a privilege and for some-worth dying for. In November the students of the 4th grade class memorized Isaiah 42. These same students have reproduced Isaiah's passage about the Servant of the Lord as an illuminated manuscript, fashioned after the Bibles of the Middle Ages when all Bibles were hand written. 14 scribes, like the monks of old, each faithfully copied lines to the page, and developed illumination for the margins. It's a beautiful reminder of the wonderful treasure stored in these little hearts, where God's word is ever living.
