Sponsorship Benefits:

You will not only get your name in print (in several areas) but you will also have your name/business name promoted by our auctioneer and the auction event team. The auction team may say something like, "Tonight's Heads or Tails Game is brought to you by ABC Company. When you need ____, give them a call." Or XYZ Financial is proud to be a sponsor at this year's Providence school auction."

Chances are, by the end of the auction, everyone will know who you are, how you gave support to Providence and think of you first when making their next business transaction. **It's a great way to market your business!**
